C. Ray Nagin, Mayor
City of New Orleans

Please be informed that City inspectors from the Offices of Environmental Health and Code Enforcement will perform systematic sweeps of all properties that have received either a Voluntary or Involuntary demolition at the expense of FEMA. Also be informed that the City will continue sweeps and inspections of all vacant lots.

DANGEROUS AND UNSANITARY SWIMMING POOLS ARE A SIGNIFICANT HEALTH THREAT TO YOUR COMMUNITY AND CHILDREN.

Is there an abandoned pool in your neighborhood?

- Is the pool unkept? Dirty?
- Is it in disrepair?
- Is it missing self-closing and self latching access gates?

Private pools must be surrounded by a fence or barrier at least five feet in height above the finished ground level measured on the side of the fence or barrier which faces way from the pool.

If you checked any of these boxes, this public nuisance violation should be reported immediately.

Attend the monthly hearings and help correct these violations.
